

Dress Requirements

LADIES

Because we follow Christ, we should choose to dress in such a way as to not cause others to think impurely about us. We should avoid wearing something that would direct the attention of others to ourselves. And we should always be modest in what we wear, as well as in everything we say and do. Even if this is not your own *personal* standard of dress, you should uphold it in order to show deference to those around you.

We must also remember that the little girls observe and tend to follow what we do. We should seek to maintain modesty and Christ-likeness in order to be a good example to them.

The following is the requirement for young ladies who are serving in the Children's Ministries of Texas Conference:

- ◆ **Skirts**
Khaki or denim
Modest fit – not tight
No skirt or slit above mid calf.
Below the knee at all times – when standing, kneeling, sitting on the floor...
- ◆ **Blouses**
Children's Ministries of Texas will provide each worker with one shirt for each day of the conference.
- ◆ **Shoes**
You'll want to make sure you wear comfy shoes. Tennis shoes, sandals or casual shoes are great—No flip flops please.

MEN

Because we follow Christ, we should choose to maintain a neat, clean-cut appearance. Scripture says that we should not be conformed to the pattern of the world, but rather be transformed (changed) by the renewing of our minds. (Romans 12:1, 2) The way we choose to dress, as well as what we do and say, will either direct others to Christ or draw attention to ourselves. Young boys will observe the way you dress and act. They will imitate your appearance and actions.

The following is the dress requirement for the young men who are serving at the Children's Ministries of Texas Conference:

- ◆ **Pants**
Loose fitting and conservative jeans or khaki dockers. Must wear a belt.
- ◆ **Shirts**
Children's Ministries of Texas will provide each worker with one polo shirt for each day of the conference.
